

OVER THE COUNTER (OTC) MEDICATION AUTHORIZATION			Last Name, First Name	
This form authorizes registered adult leaders of the GLFSC National Youth Leadership Training Course to dispense “over the counter” (non-prescription) medications to scouts under their supervision if in their judgment it is appropriate. Execution of this form is voluntary; however, under BSA policy, adult leaders are prohibited from dispensing medications to scouts without parental approval, so if this authorization is not provided, no medications of this type will be given to your scout unless you can be contacted to give specific permission. THIS FORM IS NOT FOR PRESCRIPTION OR REGULARLY ADMINISTERED MEDICATIONS. If your scout needs to take medications at a scout function, a separate form is available for that purpose. Please see FAQ on reverse for additional information.				
Name of Scout (Last, First):		Age:		Date of Birth:
DRUG ALLERGIES: Please list all drug allergies. <input type="checkbox"/> No known drug allergies				
AUTHORIZATION: READ CAREFULLY. I hereby authorize any registered adult leader of the GLFSC National youth Leadership Training course to dispense to my above named scout the medicines indicated by my initials below or if I initial the last line, all medications listed below. Unless stated otherwise in the limitations/special instructions sections below, these medicines may be administered in the discretion of a Leader for causes or conditions indicated on the labeling for the product, in the dosages stated on the labeling for a youth of the age/size of my scout. This authorization is valid for the duration of the GLFSC National Youth Leadership Training Course.				
INITIALS	COUNCIL MEDICATIONS	LIMITATIONS/SPECIAL INSTRUCTIONS		
	Pain relief. Acetaminophen. (Tylenol® and generics) Ibuprofen. (Motrin®, Advil® and generics)			
	Loperamide. (Imodium® and generics) For diarrhea.			
	Diphenhydramine Hydrochloride. (Benadryl® and generics) Histamine blockers for allergic reactions.			
	Antacids. Calcium Carbonate, Magnesium Hydroxide and/or Aluminum Hydroxide (Tums®, Roloids®, Mylanta®, Maalox® and other antacids contain some or all of these substances and in some cases other ingredients, such as gas reducers.			
	Bismuth Subsalicylate. Pepto-Bismol® Kaopectate® and generics.			
	Motion Sickness Remedies. Dimenhydrinate (Dramamine®), Meclizine hydrochloride (Bonine® Antivert® Dramamine II®)			
	Topical “first aid” products. (Neosporin®, triple antibiotic, Bactine®, and similar products containing antiseptics, antibiotics and/or topical pain relievers).			
	Topical antiseptics and scrubs, including povidone-iodine (Betadine® and generics), alcohol, Chlorhexidine (Hibiclens®) and hydrogen peroxide.			
	Topical Burn/Sunburn Relief Products. Creams and gels, including aloe vera and other products labeled as providing relief for minor burns and/or sunburn.			
	Topical Hydrocortisone. (Cortaid® and generics)			
	Topical Diphenhydramine Hydrochloride. (Benadryl® Itch Relief and generics).			
	Topical Medicated Powders. (Ingredients include menthol, zinc oxide, talcum powder, corn starch, etc.)			
	Topical Calamine lotion.			
	Topical Bite/Toxin neutralizers. Meat tenderizer, AfterBite® etc. Contain ammonia, baking soda papain, vinegar and/or other ingredients to neutralize toxins.			
	Tincture of Benzoin (Used on skin adjacent to cuts to improve adhesion of bandages or steri-strips®)			
	ALL OF THE ABOVE			
I hereby certify that I have read and understand this document and that I have the authority as parent or guardian of the above minor to authorize the giving of medication to him:				
Name printed:		Signature:	Date:	
Contact Numbers (primary and alternate(s) in the event a leader wishes to discuss medications.				
<input type="checkbox"/> Feel free to call day or night. Hm () Wk () Cell ()				

Frequently Asked Questions

- **Why am I being asked to sign this form?** The Boy Scouts of America prohibits Registered Adult Leaders (Scoutmaster, Assistant Scoutmasters) from administering any medication whatsoever to a scout without parental permission. Experience has shown that from time to time, scouts will need first aid or medication for minor conditions. Signing this form provides that permission without making us to find you first.
- **What if I don't sign?** Signing the form is entirely voluntary. If you choose not to, your scout will not be given any type of medicine without your express permission. For example, if your scout has a sunburn, we will not be able to give him anything for it until we contact you. Sometimes, we are out of communication range, or even though within range, are unable to reach a parent. So, that means that needed medication could be delayed or prevented altogether, prolonging discomfort for your son. In some cases, as with bite toxin neutralizers, prompt administration is essential for the medication to have effect.
- **Who decides whether my son needs something?** This form gives any registered adult leader permission to give medication to your son. It is the practice for the Scoutmaster or other adult leader in charge of an event to be consulted in the event of illness or injury to a scout, but other registered leaders may use their discretion to administer medications when the leader in charge is not readily available. This form does not give permission for any parent who may be attending an event to give medication to your scout. It is restricted to registered adult leaders.
- **What does "topical" mean?** That is something that goes on the skin rather than in the mouth.
- **What if I want a call first?** If you want a call before any medication is given to your scout, don't sign this form. If you want a call for some situations but not others, for example, no call for triple antibiotic ointment for a scraped knee, but want a call before your scout is given an histamine blocker like Benadryl[®], make a note to "call first" in the limitations/special instructions section for that medication.
- **What if I want a reduced dosage from what is on the label?** Please note this in the limitations/special instructions section for that medication.
- **How do you know my scout really needs medication?** Sometimes we don't know for sure. From time to time, scouts will report both real and imaginary ailments. Sometime, the real problem is homesickness. Sometimes, there are other causes. For example, headaches can be the result of dehydration or sunburns. While we will seek to determine and address the source of the symptoms, most of us are not doctors or mind readers and must rely on our first aid training, experience and judgment. If a scout reports a headache and you have authorized acetaminophen, we may give them a dose, even if we are unable to objectively verify they have a headache or determine a potential cause, to see if that solves the problem. If it does not and significant complaints persist, we will call a parent.
- **What if my scout is really sick or hurt?** Expect a call. If a scout has a fever, vomiting or other significant symptoms or injuries, we will call a parent and/or seek appropriate professional medical care in accordance with the other medical authorizations you have executed. Again, this form is only for over the counter medications.
- **My scout has an inhaler for asthma attacks or takes prescription medicine. Is this the form for that?** No. This form is for unanticipated needs for over the counter medicine. If your scout has regularly prescribed medication that must be administered during a scouting activity, or has special medication that must be administered on an as needed basis, you need to provide the medication and a separate permission/instruction sheet to the adult leader in charge of the event when you drop off your scout. **To ensure proper accountability and that your scout gets the medication they need, you must turn the medication and form in to the adult leader in charge or the adult leader expressly designated by the adult leader in charge as the person responsible for medication for that event.**
- **What if a medication is not on the list?** If the medication, its generics or its category are not on the list, we will not give it to your scout without calling you. If you think we missed something that should be on the list, let us know.
- **What if I still have questions?** Ask the Scoutmaster.
